

Great Lakes Science Center Membership Policies

- A photo ID is required with your membership card for admission.
- Membership benefits are non-transferrable and apply only to those named on the membership card.
- **Youth under 16 MUST be accompanied by a named adult on the membership.** Named youth between the ages of 16-17 may use the membership without a named adult present, but **are not entitled** to guest benefits (if applicable).
- Membership includes up to six named youth under 18 in your household.
- Un-named guests must be accompanied by the Science Center membership cardholder.
- OMNIMAX vouchers and unlimited movie privileges may be used during normal operating hours, special events excluded.
- To receive free general admission at participating ASTC institutions, you must live more than 90 miles away from the museum you wish to visit. Museums within 90 miles of each other may not reciprocate. Please call the museum prior to visiting for specific admission benefits.
- Caregivers (nanny, babysitter, etc.) must be named guests or paid additional members to gain admission.
- Additional fees may apply to traveling exhibitions.
- Membership benefits do not apply to group/school visits.
